

How do I create my online Scrip Account so that I can start ordering? To create your free online account, go to the Scrip website, <http://www.shopwithscrip.com/> Click the green Family Sign Up box and follow the registration instructions. This includes entering Frank Hammond's enrollment code, which can be obtained by emailing the coordinator.

After your account has been created you'll be able shop for Scrip gift cards, check your account activity, run your own order history reports, and more.

To place ScripNow and Reload Brand orders ANYTIME, you can also sign up for PrestoPay. This online payment method for orders placed via ShopWithScrip.com allows you to securely link your bank account to your ShopWithScrip account. You will set up a secret PIN number to enter at checkout so your payment can be transferred from your checking account to your organization for a tiny convenience fee of \$0.15 per order. PrestoPay is simple to use and makes scrip shopping unbelievably fast. When used to pay for virtual orders, your Reload orders will process overnight and your ScripNow! eCards will be available in minutes!

If you choose not to enroll in PrestoPay you can still place your order online, but you are limited to the order dates scheduled during the school year by PTO. Print the completed order form from the website, enclose it with a check payable to FHH PTO, put them in an envelope addressed to Becky McKeever – Scrip Coordinator and send it to school with your child.

Questions or to obtain enrollment code... FHH Scrip Coordinator is Becky McKeever - pita5275@aol.com
